Litter bugs.™

Litter that finds its way into highway storm drains could end up polluting our lakes, rivers and beaches. We are all responsible for helping reduce the amount of litter that ends up in our water system through storm drains.

There are many ways you can help prevent this kind of pollution:

- *Never throw any trash or litter on the ground.*
- *Never throw anything out a car or truck window*
- *Always carry a litter bag in your car.*
- *Securely cover open loads on all trucks.*
- *Pick up litter in your neighborhood.*
- *Set an example for others by not littering.*

Thank you for helping keep California clean!
